

HELPFUL TIPS FOR STUDENT GROUPS

Prepare your group for a visit to the Rock & Roll Hall of Fame by sharing these helpful tips.

- We ask for everyone to stay on the bus.
- Group leader should enter the Rock Hall and check in at the Group Check-In Kiosk.
- There should be one chaperone for every 10 kids and all kids under 14 must remain with their group.
- We encourage photography, but we appreciate if the flash is turned off on any device you are using.
- Food and beverage are prohibited in the Rock Hall exhibit areas, but we have an All Access Cafe located on Level 1 for all of your food and beverage needs.

For Performance Groups Only

- Performance groups playing upon arrival should bring equipment to the outside stage. Groups arriving but playing later should leave equipment on bus and have dropped off later.

*Outside performance area identified as "Exterior Plaza"
